EDGEWATER ESTATES DIRECTORY GOES ONLINE

The EE Directory is currently being reviewed and updated for installation on our web site – www.edgewaterestates.org. The

Directory is for the private use of property owners, including Shadyside, and not for sale nor for public distribution; therefore, the Directory will be PASSWORD protected.

If your number is unlisted in the Directory it will remain unlisted on the web site Directory. Prior to installation on our web site, residents will receive a letter with the "Password" for accessing the Directory. When requested, a hard copy will be available to new residents and to residents who do not have access to a computer.

By installing the Directory on our web site, the Directory can be updated in a timely manner as properties change owners. This will eliminate maintaining paper files, printing, and mailing an annual addendum. It will be more efficient and cost effective. If you have questions don't hesitate to call Bernard Fiegel, 302-645-4568 twofigs@udel.edu or Nancy Tartaglione, 302-644-2653 vinnan239@hotmail.com

Snow Removal. Edgewater Estates and Melloy Court roads were plowed three times this season: February 17, 26 and March 5. Roads were plowed for two-way traffic to allow easy egress and entry to and from Minos Conaway. Many times our roads were in better travel condition than Minos Conaway. Residents called Board members several times to say how pleased they were with the timeliness and quality of the plowing. Also, two concerns were addressed and resolved.
